

New Value Connectors for Expanded and Straight Tubes used in Refrigeration and HVAC-R Applications - Simple to Use, Adjust and Maintain

*The **EZ Connect ZGX** manual connector is the latest innovation for refrigerant charging, evacuation and testing applications of HVAC components and systems such as.*

- **Evaporator Coils**
- **Refrigerant Compressors**
- **Tubing and Sub Assemblies**
- **HVAC-R Filters and Valves**

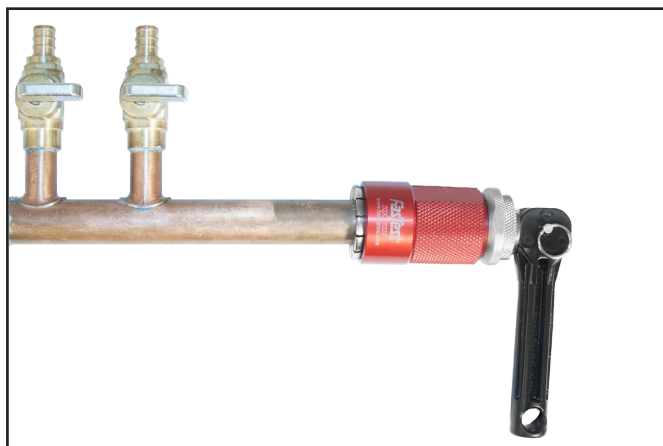

- Simple adjustment - Twist to adjust collar is easily sized to accommodate tube tolerances and seal wear
- Opposing forces of internal seal and external grip of tube minimize distortion or damage
- Pressure assisted grip and seal design delivers improved sealing as pressure increases
- Safety design feature will not disconnect until pressure reaches a safe level
- Internal wear ring minimizes friction and extends service life of connector
- Simple design and field service maintenance kits require no special tools for connector maintenance
- High flow design can be quickly adapted for plug style applications
- See your local FasTest distributor for more information and support

FasTest - The One Stop Shop for Testing!

The FasTest EZ Connect ZGX connectors are the ideal solution for manual leak and pressure tests applications. The EZ Connect Series is a compliment to the highly engineered FasTest automated connector and high pressure solutions.

Common Application:

Specifications:

Pressure rating. Vacuum to 500 psi / 34.47 bar (copper, steel and aluminum applications)
 Materials Aluminum housing with Stainless Steel components, Molded Nylon handle
 Seals Neoprene (main), Buna N (internal)

Body Size	Part Number	Tube Size			Termination Port	Flow Diameter	Maintenance Kit
		Valve	Nominal ID	Nominal OD			
1	ZGX-137501	3/8" Expanded	0.375"	0.450"	1/8" NPT	0.10"	ZGXB1-0360 ZGXB1-12
	ZGX-150012	1/2" Expanded	0.495"	0.570"			
2	ZGX-255513	5/8" Straight	0.555"	0.625"	1/4" NPT	0.20"	ZGXB2-13 ZGXB2-21 ZGXB2-21 ZGXB2-22 ZGXB2-23
	ZGX-262521	5/8" Expanded	0.635"	0.690"			
	ZGX-266621	3/4" Straight	0.666"	0.750"			
	ZGX-275022	3/4" Expanded	0.755"	0.830"			
	ZGX-278523	7/8" Straight	0.785"	0.875"			
	ZGX-287531	7/8" Expanded	0.875"	0.970"		0.26"	ZGXB2-31

- **Additional value - 5 complete rebuilds to extend connector service life in each maintenance kit!**
- **See your local FasTest distributor for more information and support**

Product Safety:

All FasTest products have been designed with safety in mind, however, it is the responsibility of the product users to design each process in such a way to avoid mishaps that can cause physical hazard or property loss. Secondary restraints such as safety chains, shields, cages or fixtures are all good choices depending on the application. FasTest can recommend or assist you in clarifying potential hazards of your application.
